**Presentation: "Vaccines: - what can we do about it"**

Dr. Isaac Golden PhD, is a homeopath living in Australia. He is the foremost authority on homeoprophylaxis and is internationally recognized authority and consults with governments on homeoprophylaxis. He has been a homeopathic practitioner since 1984 and has been teaching homeopathy for 31 years. He is the founder and principal of the Australasian College of Hahnemannian Homoeopathy. He was President of the Victorian branch of the Australian Homoeopathic Association from 1992-1998. On 13th March, 1999, Dr. Golden was awarded the Distinguished Service Award by the Australian Homoeopathic Association "in recognition of his many years of service to the Australian

Homoeopathic Association and for his significant contribution to the homoeopathic profession in Australia. In April 2000 Dr. Golden also established the *Homeopathy International Online College* to teach simple courses in homeopathy and natural medicine. He was awarded his Doctorate in 2004 following four years of research through the Graduate School of Integrative Medicine, Swinburne University of Technology, Melbourne. This is the first time a mainstream University in Australia has granted such a high award for research into a homoeopathic topic. In early 2008 he was appointed Adjunct professor of Homoeopathy at the ACNM. He was Honorary Research Fellow, School of Science, Information Technology and Engineering, Federation University from 2013 to 2016. He is presently Deputy Chair of and Research Advisor to the Ethics Committee, National Institute of Integrative Medicine, Australia.

After the vaccine injury of one of his daughters in the late 1970's he began to study extensively the historical and contemporary use of homeoprophylaxis as a safe alternative to vaccinations. Dr. Golden has treated vaccine injured children and those with autism in his 35 years of medical practice where he specializes in the treatment of vaccine damaged children, and associated conditions such as Autism, ADHD, learning difficulties etc. Dr. Golden has written 11 books on homeopathy and HP, including the comprehensive guide for professionals on homeoprophylaxis (<https://www.homstudy.net/isaac-golden-publications-testing/>) and he teaches, trains and certifies HP practitioners in his methods.

Dr. Golden will be talking about HP, and treating vaccine injury, as well as providing facts about vaccination, and discussing some HP-related research done with BU academics. All the latest data from vaccine injured children including latest materia medica of main vaccines + HP of course.
